## Market Alerts

**SEVERE WEATHER ALERT**– Unseasonably cold temperatures and heavy rains continue to affect many crops grown in California and Yuma AZ. Quality and availability of products impacted include **Strawberries, Iceberg, Romaine, Celery, Cauliflower, Broccoli** and **Brussels Sprouts**.

**BROCCOLI** – Supplies of Broccoli Crowns and Florets are light, and pricing is higher than normal, with fair to good quality reported.

**STRAWBERRIES** – Poor growing conditions (cold and rain) in California continue to affect quality throughout the market. Pricing is fairly stable, but quality remains fair to poor. Short shelf life, white shoulders and decay are reported. **Blackberries, Blueberries** and **Raspberries** are all better quality options.

**LETTUCE** – The quality of **Iceberg**, and to a lesser degree **Romaine** and **Leaf Lettuce**, is fair at best. Puffiness, ribbing and short shelf life are all common issues, and pricing is higher than normal. Consider using **Romaine Hearts** or **pre-cut product** for best overall value.

**CELERY** – Pricing remains very high on both bulk and pre-cut Celery, also due light supplies from the cold, wet conditions in Yuma. Quality is fair to good.

**CAULIFLOWER**- The cold, wet conditions in Yuma AZ have tightened supplies of Cauliflower Heads and Florets. Pricing is higher than normal and quality is good to fair, with some bruising and yellowing reported.

**SOFT VEGETABLES:** Bell Peppers and Cucumbers are in a growing gap, both in Florida and Mexico. Pricing is higher than normal, particularly for Red Bells, and quality is fair across the board. Choice Grade Green Bells and Select Grade Cucumbers are the best values.

## A Peek at Peak Seasons

**Late Winter Greens** – Endive, Chicory and Frisee are all available. All are great cold-weather menu favorites!

**Swiss Chard** – Great quality on Green, Red and Rainbow Chard out of California and Mexico.

**Chili Peppers** – Anaheim, Serrano and Pasilla Peppers are all very good quality.

**Berries** – Blackberries and Blueberries are very good quality and pricing.

**Specialty Potatoes** – Quality is great on all Colored, Fingerling and Yukon Potatoes.

**Squash** – Green (Zucchini) and Yellow Squash are great quality in all sizes.

**Grapefruit** – Texas and Florida are at peak harvest on Ruby Reds.
